

How to make a web shortcut to access the survey

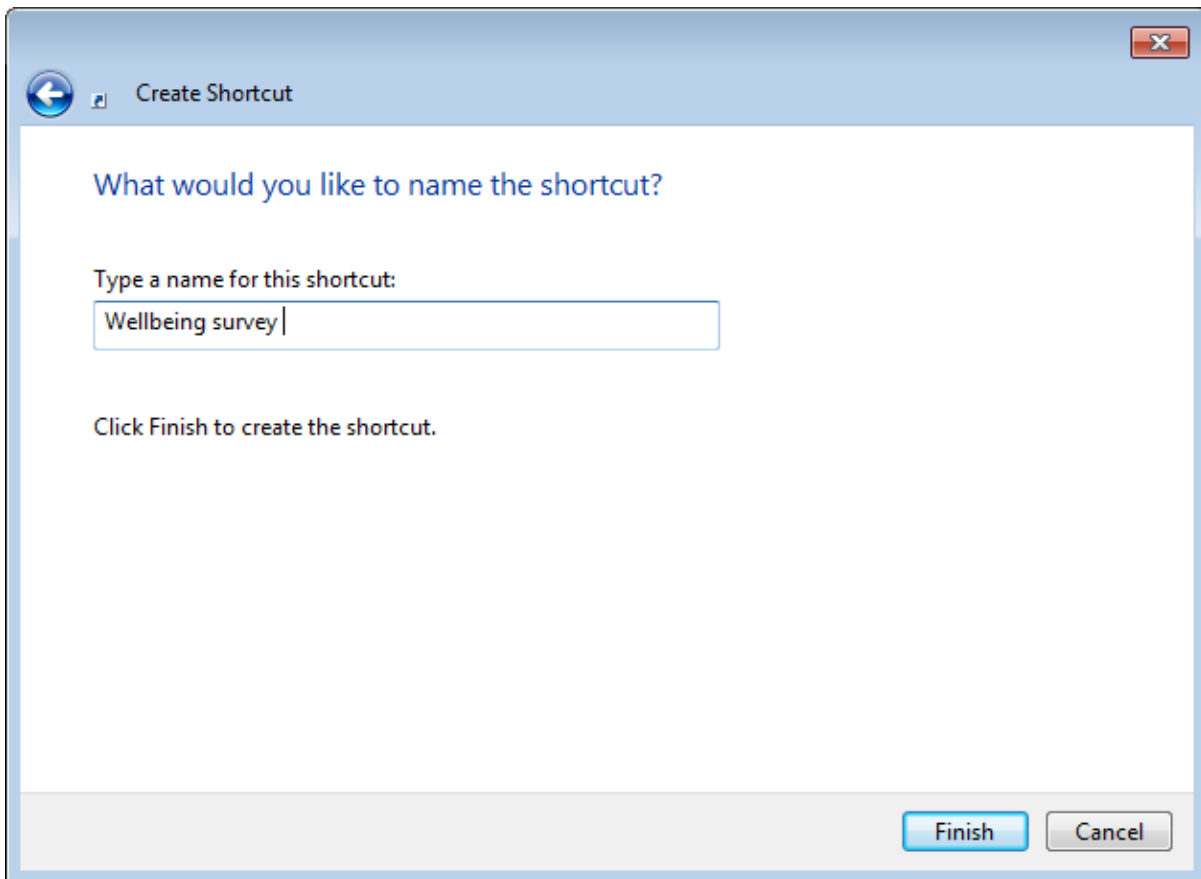

Step 1: Right-click in some space on your desktop and choose New -> Shortcut:

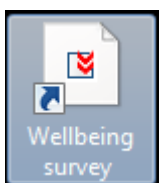

Step 2: Paste in the address: <https://app.keysurvey.co.uk/f/1188514/ae1f/>

Step 3: Click **Next**, choose a name for the shortcut then click **Finish**.

This creates the shortcut on your desktop:

(Note that the icon will depend on your default web browser)
